REGISTRATION AND VOTING.

ROCK ISLAND.

Though the Grant ring have secured another lease of power it has been done by the active or passive aid of Democrats who either aided the Grantees by voting for Grant, or O'Connor, or remaining away from the polls, until he had defeated Democrats and placed their enemies in office. In this city a comparison of registration, and the vote for Greeley and Grant, shows the following result:

MISSING, 2,198

Here is a showing of 2,916 votes in these three towns who were registered but failed to vote, and we think it fair to presume under the peculiar state of the campaign, that they were nearly all Derr supporters. The Davenport Democrat speaking of the absentees says:
